

Dear Friends,

Because of your enthusiasm and continuing support, the Jewish-Christian Dialogue of Mobile is now entering its third year. What's more, this year promises to be even more exciting and rewarding than the previous two years. Plans are underway for the 1977-78 series of dialogues which will begin with a general get-together on October 16th at 7:30 PM sharp, followed by five regular sessions scheduled for November 16th, January 19th, February 16th, March 5th and April 6th.

You will recall that at a special meeting subsequent to last year's dialogues we decided to adopt a new and different format. We are indeed happy and proud to announce that we have arranged an outstanding program consisting of six speakers who will be presenting a specific topic at each of our dialogue sessions. We will then have time for questions after each presentation after which the dialogue will ensue in small groups of eight to ten people. All of the meetings this year will be held at the Springhill Avenue Temple beginning at precisely 7:30 PM. Please be on time. The complete schedule and list of topics is included below.

Once again this year we are asking for your kind cooperation. The information requested below is absolutely essential to the Planning Committee. We are looking forward to seeing all of you again this year. We welcome also those of you who have not been with us before. Any suggestions you may have with regard to the Dialogue are certainly welcome. Thank you for your promptness in responding to this letter.

Shalom/Peace
