Dear Friends,

On behalf of the membership of the Spring Hill Avenue Temple, I wish to express our sincerest appreciation for the significant and eloquent resolution which you helped sponsor in commemoration of the Nazi holocaust.

You so beautifully portrayed the ethical tenet of your religious faiths in urging all to achieve our ultimate potential by stressing the ideal - to "walk in His ways." Through this exhortation to love your brothers and sisters and obliterate violence and terrorism you have so meaningfully shown all the righteous path. For this we are extremely grateful and proud to be your neighbors.

Thank you for your most poignant expression of true brotherhood.

Shalom,

Fran

(Mrs. Paul M.) Fran Brown, President
